

PATIO FAQ

Biff's Bistro

Biff's Bistro's east portion of the patio can accommodate up to 20 guests for a seated event, or up to 40 guests for a standing reception.

THE COMMITMENT

A minimum spend on food and beverage of \$2,500 is required, exclusive of tax and an 18% gratuity. If you wish to add the patio to your seated event inside the restaurant for a cocktail reception, an additional \$800 will apply. If the minimum spend requirement is not met, the difference will appear as a rental fee.

RAIN OR SHINE

Though the patio space is predominantly covered and offers shelter from the elements, some conditions may be unfavourable for your event. Should this be the case, Biff's Bistro will happily relocate your group to a space inside the restaurant.

PARKING

Underground parking is available at Biff's Bistro for \$2 per car after 5:30pm from Monday to Friday, and all day on Saturday and Sunday.

PAYMENT OPTIONS

A signed confirmation and deposit of \$2000 is required to secure the patio for your event, payable by credit card, bank draft or company cheque. The balance can be paid by credit card at the conclusion of the event.

CHANGE OF PLANS

Your deposit is fully refundable if cancellation is received 14 or more days in advance of event date. If cancellation is received with less than 14 days' notice, the deposit is forfeited. If notice of cancellation is received with less than 48 hours' notice, you will be charged the room minimum plus tax and gratuity.
