

# TERRACE FAQ

## LUMA

---

Luma's terrace can accommodate up to 64 guests for a standing reception.

### THE COMMITMENT

While there is no charge to use the terrace, we require a minimum spend of \$1,000 on food and beverage, exclusive of tax and an 18% gratuity. To add the terrace to your seated event in the east wing of the restaurant for a cocktail reception, an additional \$500 will apply. If the minimum spend requirement is not met, the difference will appear as a rental fee.

### RAIN OR SHINE

Though the terrace space is predominantly covered and offers shelter from the elements, some conditions may be unfavourable for your event. Should this be the case, Luma will happily relocate your group to a space inside the restaurant.

## **PARKING**

Underground pay-and-display parking is available in the TIFF Bell Lightbox parkade located on Widmer Street.

## **PAYMENT OPTIONS**

A signed confirmation and deposit of \$500 is required to secure the terrace for your event, payable by credit card, bank draft or company cheque. The balance can be paid by credit card at the conclusion of the event.

## **CHANGE OF PLANS**

Your deposit is fully refundable if cancellation is received 14 or more days in advance of event date. If cancellation is received with less than 14 days' notice, the deposit is forfeited. If notice of cancellation is received with less than 48 hours' notice, you will be charged the room minimum plus tax and gratuity.
